

Casa Zujar

(Province of Granada - Nearest town Baza)

A complete bargain. A very large 3-story village house. Ground floor: Lounge with an open fireplace, large hallway, and a good size fitted kitchen, a bedroom with ensuite bathroom. First floor: Large bedroom, second lounge with double doors leading on to a small balcony, also a very large bedroom and a smaller bedroom. Fitted bathroom and a small office area or computer room. Second floor: A huge bedroom, another bedroom with wooden beamed ceiling and another room including an open fire and bread oven. One other room with a staircase leading on to a sun terrace, this has beautiful views including lake views. This house is totally liveable; the top floor does need some tiling/painting. There is a house point. It has full electric/water plumbings connected. This could be a good investment or a large home. 10 mins walk to the beautiful lakes. All amenities are within walking distance. 2 hours to Malaga.
